Top Eight Questions Parents ask

(and the answers)

Will the place they are staying be safe?

Yes, LeaderTreks chooses all of their sites with your student's safety in mind. All sites have been tested over the years and proven to be very safe.

Where is the nearest hospital?

LeaderTreks staff are first aid trained and ready to handle medical situations. Hospitals are located near the site and are easily accessible. (Actual distance varies by site.)

Who do I call if I have an emergency and need to contact my student?

If you need to contact your student, first call the church/school office and then call LeaderTreks (877)502-0699. LeaderTreks and the church will contact the team. The church staff will then get back in touch with you and can communicate your needs to your student.

Will I be able to hear from my student while they are on the trip?

It is so easy for us to get distracted when we are doing Kingdom work so we ask that students don't bring cell phones or other forms of communication that can distract from the mission at hand. Check with your church staff to see if other forms of communication are available.

Your student needs to come with an attitude of service and teachability, as well as a heart for spiritual growth. It is so easy for us to get distracted when we are doing Kingdom work so we ask that students don't bring cell phones or other forms of communication that can distract from the mission at hand. Check with your church staff to see if other forms of communication are available.

What is LeaderTreks?

LeaderTreks is a leadership development ministry that sees the need for development of students. They use mission trips, leadership training, and innovative curriculum to aid churches in the development of their student leaders.

Why LeaderTreks?

LeaderTreks focuses on your student's development and will push them to the point of spiritual and physical growth. LeaderTreks has ministry partners that have a real impact on their communities. When we partner with LeaderTreks we know that our work truly benefits the Kingdom.

What does my student need for the trip?

Your student needs to come with an attitude of service and teachability, as well as a heart for spiritual growth. Refer to the packing list to find out what specific articles are necessary for the trip. Many students choose to bring money on the trip, they will need enough money for all of their travel meals and one meal out on the trip (This money is already included in what we are raising).
