Dear Pastor Hinman;

We are so very grateful for Lenoir Presbyterian Church's recent donation of \$100,000.00 to Bethel Colony of Mercy's Women's Campus. This donation helps make it possible for us to move forward with the purchase of the property formerly known as Camp Carolwood in the Buffalo Cove Community.

Lenoir Presbyterian Church has been a partner with Bethel Colony of Mercy since our beginnings 70 years ago and we are so appreciative of the many gifts, meals, fellowship opportunities and friends we have made over those 70 years. We share many fond memories of times of fellowship and meals with the members of Lenoir Presbyterian either at Bethel or in your fellowship hall.

We are excited about this new area of ministry God has called us to as we open our doors to women this summer at the Women's Campus. And we are grateful to God for your willingness to come alongside and partner with us in this new endeavor.

Please pray with us as we follow God's leading in ministering to women caught up in addiction and bondage.

May God continue to bless you and your congregation as you are a blessing to our community.

Gratefully,
