At Lenoir Pres – It's about life together...

Real people - connecting in real relationships - with a real God.

Life together.

We've been here for over a hundred and sixty years...

loving people, loving God and serving
the Savior Jesus Christ with passion
in Lenoir and around the world.

Yet life together is always new.

Each Sunday...

feels like a new breath from God.
A breath we exhale throughout the week...

Where our life together meets the world and shares the faith God gives as we study the Bible, encourage children and youth, and serve others at our workplaces, schools or wherever we meet them.

Life together is open to all.

God's love makes it possible for us to love in truth a world that
believes "everything" and "nothing" at the same time.
Life together happens through authentic and diverse relationships.

All the time knowing

It's about faith, not fear;
it's about worship, not worry.
It's about life together.

Lenoir Pres:

Real People.
Real Connection.
A Real Lord - Jesus Christ.
Life together.
