## Honoring All Who Served

Veterans Day is intended to honor and thank all military personnel who served the United States in all wars, particularly living veterans.

On the 11th hour of the 11th day of the 11th month of 1918 an armistice between Germany and the Allied nations came into effect.

On November 11, 1919, Armistice Day was commemorated for the first time. In 1919, President Wilson proclaimed the day should be "filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory."
